Mr. James O. McReynolds
County Administrator
County of York
P O Box 532
Yorktown, VA 23690

Dear Mr. McReynolds:

For quite some time, the Victory Industrial Park Owners Association has been concerned about the practice of on-street overnight parking of large vehicles, such as tractor-trailers. It is our understanding that the County's program to prohibit this practice in residential areas could be applied in Victory Industrial Park, with a minor adjustment of County Code Section 15-48. Therefore, I would like to request that the County amend Section 15-48 of the County Code to allow us to implement this program in Victory Industrial Park. The property owners' association believes that this program would greatly enhance traffic safety and flow in the park.

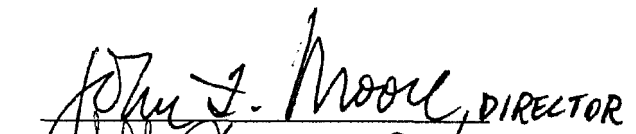

If you have any questions regarding this request or require additional information, please contact me at 890-0143 or Spindler Krause at 592-2450. Your assistance with this request is greatly appreciated.

Best regards,

Gary Tarpley, President
Victory Industrial Park Owners Association
